

Making insurance simple

Insurance matters can be complex, but Assurity simplifies your insurance purchase by providing advice in a way that you understand. As a result, you'll be fully informed when making your insurance choices.

Objective advice

Assurity provides objective, professional insurance advice in every instance. With our strong history in the insurance industry of more than 20 years, we are proud to be a privately owned licensed insurance broker.

Certainty when you need it most

You can rest assured that Assurity makes certain you are covered when you need it most and at the correct level. Assurity gives peace of mind and certainty for your future.

Expert knowledge

Through consistent training and professional development, Assurity can suggest alterations and additions to your insurance programme to meet changes in the law and to take advantage of types of insurance cover that are required to meet new circumstances. So, you can be certain that you are dealing with qualified, up-to-date professional insurance specialists at Assurity.

Building solid relationships

At Assurity, we build solid relationships and strong lines of communication with both clients and insurers. We have high expectations of our insurers and our standards will not be compromised. Assurity's ongoing commitment to clients' needs is reinforced when a claim is made.

Claims

In the event of a claim, Assurity will help you negotiate with insurers or assessors to obtain a prompt and fair settlement. At this critical time, the guidance and service you gain from Assurity will be of the greatest value.

The formalities of making a claim are often onerous and documents must be meticulously completed. Assurity will take all the hassle out of making a claim.

The true value of our relationships with both clients and insurers is tested and realised when a claim is made. You can rely on Assurity.

Cost

Assurity charges a transaction fee for each invoice issued, which is excellent value for money considering you get expert knowledge and simplicity. The reason for this cost is the result of the commission the selected insurer pays Assurity. So, you get the expertise and convenience of choosing the best policy for a modest fee.

We'll come to you

No matter where you are located in Australia, one of our Assurity insurance experts can visit you face-to-face and provide you with professional, tailored insurance solutions.

Helping you stay protected

You can never predict what will happen in the future and as the risks we face daily seem to intensify, the need for the right insurance coverage is becoming a necessity.

Assurity provides expert knowledge and guidance when creating and maintaining your insurance programme in both your business and personal life.

With Assurity's assistance and the correct insurance cover, you can relax and enjoy life knowing that any emergency that may arise will be taken care of.

Why use Assurity?

When considering your insurance needs why should you deal with Assurity? Well there are a number of key reasons including:

Credibility: our expert knowledge of the products and policy definitions is exceptional ensuring you get the right policy to suit your needs and budget.

Stability: we have a strong history having commenced the firm more than 20 years ago. You can be confident that Assurity will be available to assist you with all your insurance needs into the future.

Quality: we strive to provide the highest quality service on a personal level.

Security: you can be confident that Assurity will tailor the best policy to suit your needs and budget. Assurity gives you peace of mind.

Simplicity: Assurity will take all the hard work out of procuring a policy that is right for you as well as explaining the policy in simple terms that you understand.

Certainty: you can be certain that you are covered when you most need it and at the correct level.

Integrity: we are members of The National Insurance Brokers Association of Australia (the peak professional body for insurance brokers), Council of Queensland Insurance Brokers, Insurance Brokers Network of Australia Limited and Insurance Broker Disputes Limited.
